

## A detailed map of Wrocław, Poland, and its surrounding regions. The city of Wrocław is centrally located, with its main districts and landmarks visible. To the east of the city, the village of Dobrzykowice is highlighted with a red circle. The map shows a network of roads, including major highways like the A4 and E67, and numerous smaller roads. Various towns and villages are labeled, such as Psie Pole, Wilczyce, and Kamieniec Wrocławski. The map also depicts the Oder river and surrounding green spaces.
